About This Walk Leaflet

This promotional walk has been brought about by the efforts of the Kempston Rural Parish Council, a member of the Parish Path Partnership. This scheme, which is promoted by the Community Forest, aims to give local people the resources and skills to enable them to improve the condition of their rights of way and to keep them open and in use.

The funding for this leaflet has been made possible via kind donation by the Bedford Borough Council, as part of their continued support and partnership of the Marston Vale Community Forest.
