

Sledmere Country

17.5 miles (28km)
from Sledmere

Unlike the other rides in this guide, this one starts on the high Wolds at Sledmere estate village. Visit Sledmere House, the splendid Georgian and Edwardian house owned and lived in by Sir Tatton Sykes. (for opening times see www.sledmere.com)

Ride away from its fine parkland setting to visit outlying villages with some fine views to the Vale of York and Duggleby Howe Neolithic burial mound. The Norman church in Kirby Grindalythe is well worth a look.
